Dear Members of the Contra Costa Civil Grand Jury:

In accordance to Penal Code Section 933.05 9(a)(b), the following is an update to the BART Police Department's response to Recommendation R3 from Report 1804 "BART Crime and Transparency." This letter is an update to the responses dated July 31, 2018.

**Recommendation R3**

**"BART PD should consider offering the most recent 180 days of the BART Police Daily Log reports, with simple text search function, from a permanent web link on the "BART Police" page (<https://bart.gov/about/police>) of BART.gov by December 31, 2018."**

The BART Police Department has completed a review of the BART Police Daily Log and determined that the suggestion to offer recent days of the BART Police Daily Log reports, with a simple text search function, from a permanent web link on the "BART Police" page (<https://bart.gov/about/police>) of BART.gov can be accommodated during the next major revision to the BART.gov domain if sufficient information technology resources can be allocated to the web-design tasks associated with the changes. The BART Police Department will meet with staff from BART's Office of the Chief Information Officer during 2019 to identify the requirements for the updated Daily Log and determine if the OCIO can include the changes in the updates made to the BART.gov domain in 2019. The retention period of searchable Daily Log cases will be determined based upon the records retention policy of the BART District.

A handwritten signature in blue ink, appearing to read "C. Rojas", is written over the typed name and title.

Carlos Rojas  
Chief of Police  
BART Police Department
