**Court to Initiate Online Ability to Pay Tool for Infractions
(MyCitations) Effective April 10, 2024**

As part of the California courts' continuing effort to expand access to justice, effective April 10, 2024, the Court will begin using MyCitations, an online option for those struggling to pay fines resulting from infractions.

MyCitations allows Court users to look up citations online, and to request a reduction in the amount owed based on their financial situation, a payment plan, more time to pay, or community service. This new option expands that service and allows users to make these requests without having to come to Court offices.

A link to the MyCitations tool will be available on the Court's Traffic webpage at <https://www.cc-courts.org/traffic>, and the program may be found directly at <https://mycitations.courts.ca.gov>.
